*The 16th FROG – Future and Reality of Gaming will take place again in the Vienna City Hall next October. We present the first informations and dates for the readers of MEDIENIMPULSE.*

## FROG – when & where

October, 14th – 16th 2022, Vienna City Hall

The 16th Future and Reality of Gaming – FROG conference once again invites you to a scientific discourse on the topic of games. The international conference brings together researchers, gamers, students, game designers, game developers, educators and experts from various disciplines to discuss the future and reality of gaming.

## Save the date

More details and the call for contributions will follow soon on the Homepage of the FROG:
